Dear Cllr Matthews,

Congratulations on your election as leader of Lincolnshire County Council. I am sure you will appreciate what an important role you now hold, and the need to govern effectively in the best interests of the people of Lincolnshire.

With this in mind, I am writing to urge you to follow through with the intentions of the previous Council to withdraw from Nuclear Waste Services Community Partnership, thus ending the threat of nuclear waste being dumped on the Lincolnshire Coast. This is something I have **opposed and campaigned against** since the project was first proposed and I am sure that we are all eager to see this ended as soon as possible.

I look forward to your rapid assurance the new Council will withdraw from the Partnership.

Yours Sincerely,

The Rt Hon Victoria Atkins MP
Member of Parliament for Louth & Horncastle
